

Privacy Policy

Privacy Policy

At PXP we believe strongly in protecting our users' privacy. We will not wilfully disclose information about our users to any third party without first receiving our users' consent.

Your Personal Information

All personal information you provide via the Website will be treated as private and confidential. The data you enter in the online form or that you share with us at events or exhibitions includes your name, your job title, email address, telephone number and your place of work. All this information can be considered personally identifiable information.

Sharing of Information

PXP will not sell, rent, trade or give away any user's personal information or email lists to third parties without first obtaining the user's consent.

The Website contains links to other websites. PXP is not responsible for the privacy practices and/or the content of such websites. You should exercise caution and look at the privacy statement applicable to the website in question. We may use this data to contact you when you have submitted a form on the website and to send you marketing communications.

The GDPR lawful basis for collecting and using this data is Consent. PXP use an automated marketing platform to ensure that the information we send you is relevant. This is based on criteria such as job title, industry, type of content downloaded, and website pages visited.

After two years of inactivity with PXP your details will be permanently deleted from our records. Inactivity is defined as no contact with PXP through website visits and downloading of information.

You have the right to withdraw consent for PXP Solutions to use your personal information at any time, you can do this here: <https://www.pxp-solutions.com/withdrawal-of-consent>

You have the right to lodge a complaint to the Information Commissioners Office if you believe your information is not being processed in accordance with the GDPR.

Security

PXP is committed to the security of our users' personal information and we have security procedures in place to protect against loss, misuse or alteration of personal information under PXP's control.

Intelligent payments

Getting paid is only the start

Cookies

We use cookies to tailor our operations to your needs, by gathering and remembering information about your preferences.

Cookies are uniquely assigned to you and can only be read by web servers in the domain that issued them. They help us to remember information, so that you don't have to enter details multiple times.

You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can choose to opt out by modifying your browser settings to decline cookies if you prefer.

Capturing of Personal Information outside the European Economic Area

From time to time PXP may capture and process personal information outside the European Economic Area. When this is done PXP will endeavour to comply with the requirements of any local data protection laws. In any event PXP will capture and process such personal information in accordance with the requirements set out in the Data Protection Regulation (EU 2016-679).

Data entered in the online form on our website are transferred to our marketing partner Hubspot who host their system in the US, Hubspot are EU-US Privacy Shield Certified.

Further details on your rights under the GDPR can be accessed here: <https://www.eugdpr.org>
